Sliding Fee

You can get care at any of the clinics in the 504HealthNet network even if you do not have insurance. Your payments will be on a sliding fee-scale, which means you will only pay what you can afford based on your income.

1

Call: 504-658-2053 to find a clinic near you.

2

When you make an appointment, tell the person scheduling the appointment you don't have insurance. Ask what you will need to bring to pay based on the sliding fee-scale.

What to bring to your appointment:

- Government ID, like a driver's license
- Proof of income, like a recent pay stub or W-2
- A list of medications
- Anything else you were asked to bring in Step 2
