

QUALITY HEALTH CARE IS NEARBY

no matter your insurance status or ability to pay

Health care is confusing for everyone. 504HealthNet is here to help you navigate the system. Here are a few common questions:

WHEN SHOULD I GO?

- Everyone should have a relationship with their doctor. You should visit your clinic once a year for a wellness checkup.

I DON'T HAVE INSURANCE, HOW DO I PAY?

There are a few options:

1. **FINANCIAL AID:** CHCs offer payment plans if you are unable to pay your bill at one time. They will work with you!

2. **SLIDING SCALE:** If you are uninsured, what you will pay depends on how much money you make so that care is affordable.
